

APRIL 24 2014

VANCOUVER COAL GROUP NETWORKING EVENING

Guest Speaker: Gordon Zonailo

Engineering the Coal Transportation Chain - Pit to Port to Port

Mr. Zonailo is a professional engineer with over 47 years of experience in the planning, design and construction of ports and marine terminals, mine facilities, and the associated land and ocean transportation systems. His projects have included the planning or development of ports, terminals and/or transportation system facilities for the export and import of coal for over 60 different coal facilities worldwide.
